It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. And, it supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of General Obligation Bonds not to exceed a net interest cost of 7% per annum. The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of these bonds will be described in the Contract of Purchase.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in pricing of the bonds, to the Underwriter. The District has selected George K. Baum & Company as Underwriter; the firm of Jones Hall as Bond Counsel; and U.S. Bank Trust National Association as Paying Agent.

Each Current Interest Bond shall be issued in denominations of \$5,000 or integral multiples thereof.

The Capital Appreciation Bonds, if issued, shall accrete interest from the date of issuance of the Capital Appreciation Bonds to their maturity at a rate or rates such that the net interest cost shall not exceed seven percent (7%) per annum. The Capital Appreciation Bonds shall be issued in any denominations of their Principal Amounts but shall reflect denominations of \$5,000 Maturity Amount or any integral multiple thereof. The Capital Appreciation Bonds shall mature on September 1 of the years designated in the Purchase Contract. The Bonds shall be issued as fully registered bonds without coupons and the Current Interest Bonds shall mature in consecutive order beginning on September 1, 2004, and ending on September 1 of their final year, and in the Principal or Maturity Amounts to be fixed in the Purchase Contract at the time of sale and approved by this Board of Supervisors, as more particularly set forth herein.

The Bonds shall be sold as provided in Section 14 hereof; notwithstanding anything herein to the contrary, the terms of the Bonds as set forth in this Resolution may be amended prior to delivery in accordance with the provisions of the Purchase Contract, as finally approved and executed by the Treasurer on behalf of the County and the District. The Underwriter has been authorized to prepare and distribute a Preliminary and a final Official

Statement with respect to the Bonds, in compliance with Rule 15c2-12 promulgated by the Securities and Exchange Commission (collectively, the "Official Statement").

SECTION 5. Delivery of Bonds, Disposition of Proceeds of the Bonds, Security for the Bonds. The proper officials of the County shall cause the proper officials of the District to cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, to the original purchaser upon payment of the purchase price in immediately available funds.

The proceeds from the sale of the Bonds, to the extent of the principal amount thereof, shall be paid and credited to the fund established and designated as the "Glendora Unified School District General Obligation Bond, 2000 Election, Series B Building Fund" (the "Building Fund") of the District, and shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and for payment of permissible costs of issuance and provided further that such proceeds shall be applied solely to authorized purposes which relate to the acquisition or improvement of real property. The County shall have no obligation to ensure that the proceeds are applied in accordance with the preceding sentence. The interest earned on the monies deposited to the Building Fund shall be deposited to said Fund and such monies shall be used for any lawful purpose of the District at the direction of the District.

The accrued interest and any premium received from the sale of the Bonds (if any, after all or a portion of Underwriter's discount or costs of issuance are paid) shall be kept separate and apart in the fund established and designated as the "Glendora Unified School District General Obligation Bond, 2000 Election, Series B Debt Service Fund" (the "Debt Service Fund") for the Bonds and used only for payments of principal and interest on the Bonds. Interest earned on investments of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay principal and interest when due.

Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which Bonds are being issued shall, at the direction of the District, be transferred to the Debt Service Fund and applied to the payment of principal and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

Proceeds of the Bonds held by the Treasurer shall be invested at the Treasurer's discretion pursuant to law and the investment policy of the County, unless otherwise requested in writing by the District.

(i) At the written request of the District, given by the Superintendent of the District, the Treasurer may invest all or any portion of the Building Fund in the Local Agency Investment Fund in the treasury of the State of California.

(ii) At the written request of the District, given by the Superintendent of the District, all or any portion of the Building Fund may be invested on behalf of the District in investment agreements, including guaranteed investment contracts, which comply with the requirements of each rating agency then rating the Bonds.

Except as otherwise provided in the following paragraph, the County covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing gross proceeds of the Bonds (within the meaning of section

148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund, which fund is irrevocably pledged for the payment of the principal of and interest on the Bonds when and as the same fall due. The monies in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same becomes due and payable, shall be transferred by the Treasurer to the Paying Agent for subsequent disbursement to the beneficial owners of the Bonds. Any monies remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid at maturity, or provision for such payment has been made, shall be transferred to the general fund of the District.

SECTION 6. Redemption.

(a) The Current Interest Bonds shall be subject to redemption as provided in the Purchase Contract.

(b) The Capital Appreciation Bonds shall not be subject to optional redemption. The Capital Appreciation Bonds shall be subject to mandatory redemption prior to their maturity date, by lot, at the Accreted Value thereof, without premium, on the dates, if any, in the years and in an amount equal to the aggregate Accreted Values all as set forth in the Purchase Contract.

SECTION 7. Form of Bond. The Bonds shall be substantially in conformity with Exhibit "B" attached hereto and incorporated herein by this reference as if set forth in full, with necessary or appropriate variations, omissions and insertions as may be permitted or required by this Resolution.

SECTION 8. Execution of Bonds. The Bonds shall be executed by the manual or facsimile signature of the Chair of the Board of Supervisors and the manual or facsimile signature of the Treasurer and Tax Collector, and countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board. The facsimile signatures of the Chair, Treasurer and the Executive Officer-Clerk of the Board of Supervisors may be printed, lithographed, engraved, or otherwise mechanically reproduced. The Paying Agent shall manually authenticate each Bond in the space provided, and no Bond shall be valid or obligatory for any purpose until so authenticated.

SECTION 9. Bond Registration; Transfers. As hereinafter provided, the Bonds shall be delivered in a form and with such terms as will permit them to be in book-entry only form, immobilized with DTC. If the book-entry only system is no longer in effect, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of certificated Bonds as provided in this Section (the "Bond Register"). While the book-entry only system is in effect, such books need not be kept, as the Bonds will be represented by one Bond for each maturity registered in the name of Cede & Co., as nominee for DTC.

The person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of

the Owner thereof; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of the same series of any other authorized denomination upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Any Bond may, in accordance with its terms (but only if the District determines no longer to maintain the book-entry only status of the Bonds, DTC determines to discontinue providing such services and no successor securities depository is named or DTC requests the District to deliver certificated securities to particular DTC Participants) be transferred, upon the books required to be kept pursuant to the provisions of this Section, by the Owner, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed.

Neither the District, the County nor the Paying Agent will be required to: (a) issue or transfer any Bonds during a period beginning with the opening of business on the 15th day of the month next preceding either any Interest Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given, or (b) transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 10. Paying Agent. (A) *Appointment of Paying Agent.* The Treasurer and Tax Collector of the County is hereby appointed to act as Paying Agent for the Series B Bonds and, in such capacity, shall also act as registration agent and authentication agent for the Series B Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Series B Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by executing and delivering to the District a certificate to that effect.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Series B Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent.

(B) *Paying Agent May Hold Series B Bonds.* The Paying Agent may become the owner of any of the Series B Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

(C) *Liability of Agents.* The recitals of facts, covenants and agreements herein and in the Series B Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Series B Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent shall not be liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(D) *Notice to Paying Agent.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(E) *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying

Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 11. Book-Entry System. The Bonds will be issued in book-entry form by appointing DTC, 55 Water Street, 19th Floor, New York, New York 10041, to act as securities depository for the Bonds. A single certificate, representing the aggregate principal amount of each maturity of Bonds, will be executed and delivered on the day of the closing to DTC. Upon closing, the County shall notify DTC that it has accepted payment of the purchase price of the Bonds, at which time DTC (in accordance with the Letter of Representations defined below) will credit the account of the Underwriter, and process the book-entry deliveries to the accounts of the subsequent purchasers of interests in the Bonds. The Bonds will be lodged with DTC until the maturity of each Bond. On the Business Day prior to each date of maturity of a Bond, the Treasurer shall remit to the Paying Agent from the Bond Fund sufficient moneys for the Paying Agent to pay all outstanding principal of and interest on such Bond.

To induce DTC to accept the Bonds as eligible for the book-entry form of issuance, the County will enter into a Letter of Representations with DTC (the "Letter of Representations") setting forth the terms and conditions of, and procedures for, the book-entry only form of issuance.

SECTION 12. Satisfaction and Discharge. The obligations of the District hereunder and under the Bonds herein or therein made or provided for, are to be fully discharged and satisfied as to any Bond and such Bond will no longer be deemed to be outstanding and shall be deemed to have been paid for all purposes:

(a) when such Bond is canceled or surrendered for cancellation and is subject to cancellation, or has been purchased by the Paying Agent from moneys in the Bond Fund of the District; or

(b) as to any Bond not canceled, surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal of and the applicable premium, if any, on any Current Interest Bond, plus interest on such principal to the due date thereof, or the accreted value on any Capital Appreciation Bond as of the due date thereof (whether such due date be by reason of maturity or by acceleration or otherwise), either (i) has been made or caused to be made in accordance with the terms hereof, or (ii) has been provided for by irrevocably depositing with the Paying Agent, in trust, and irrevocably appropriated and set aside exclusively for such payment, either (A) moneys sufficient to make such payment or (B) Government Obligations, as defined below, maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, or (C) a combination of both such moneys and such Government Obligations; and all necessary and proper fees, compensation and expenses of the Paying Agent with respect to such deposit have been paid or the payment thereof has been provided for to the satisfaction of the Paying Agent. For the purposes of this Section, the term "Government Obligations" shall mean any of the following which are noncallable and which at the time of investment are legal investments under the laws of the State of California for the moneys proposed to be invested therein: (x) direct obligations of the United States of America (including obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States of America), or obligations, the principal of and interest on which are unconditionally guaranteed by the United States of America; or (y) bonds, debentures or notes issued by any of the following: Banks for Cooperatives, Federal Intermediate Credit Banks, Federal Home Loan Bank System, Federal Land Banks or Federal Farm Credit Banks.

At such time as a Bond is deemed to be no longer outstanding hereunder, such Bond shall cease to accrue interest or accrete value from the due date thereof (whether such due date be by reason of maturity or acceleration as aforesaid, or otherwise), and except for any payment

from such moneys or Governmental Obligations set aside as aforesaid, shall no longer be secured by or entitled to the benefits of this Resolution.

SECTION 13. Arbitrage and Other Tax Matters.

Private Activity Bond Limitation. The District has covenanted that it shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

Federal Guarantee Prohibition. The District has covenanted that it shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

Rebate Requirement. The District has covenanted that it shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

No Arbitrage. The District has covenanted that it shall not take, or permit or suffer to be taken any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

Maintenance of Tax-Exemption. The District has covenanted that it shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

SECTION 14. Approval of Purchase Contract. The Bonds will be sold at negotiated sale by the Treasurer pursuant to the terms and conditions set forth in the Purchase Contract (the "Purchase Contract"), substantially in the form appended hereto as Exhibit "A" and incorporated by reference herein. The form of the Purchase Contract is hereby approved and the Treasurer, or any designated deputy thereof, is hereby authorized to execute and deliver the Purchase Contract and the Superintendent or other authorized representative of the District is hereby requested to execute the Purchase Contract, with such changes therein, deletions therefrom and modifications thereto as the Treasurer, or designated deputy thereof, and the District may approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the maximum net interest cost on the Bonds shall not exceed seven percent (7%) per annum and the Underwriter's discount (without regard to an original issue discount, if any) may not exceed one and ten hundredths percent (1.10%) of the aggregate principal or issue amount of Bonds sold thereunder. The Treasurer, or designated deputy thereof, is further authorized to determine the principal or issue amount of the Bonds to be specified in the Purchase Contract for sale by the County, up to an aggregate principal or issue amount of \$7,000,000, to modify redemption terms and to enter into and execute the Purchase Contract, if the conditions set forth in this Resolution are met.

If, upon consultation with the authorized representative of the District, it appears in the best interests of the District to acquire municipal bond insurance to secure the Bonds, the Treasurer may so provide in the Purchase Contract.

SECTION 15. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate (as

defined below). Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section.

"Continuing Disclosure Certificate" shall mean that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

SECTION 16. Conditions Precedent. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds, in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law, that the full faith, credit and revenues of the District are pledged for the timely payment of the principal of and interest on the Bonds; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 17. Approval of Actions. Officers of the District and County officials and staff, including the Treasurer or his designee, are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance and sale of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 18. Furnishing of Clerk Certification. The Executive Officer-Clerk of the Board is hereby authorized to furnish at least two (2) certified copies of this Resolution to Jones Hall, A Professional Law Corporation, Bond Counsel, at or prior to closing.

SECTION 19. Effective Date. This Resolution shall take effect immediately upon its passage.

RESOLUTION OF THE BOARD OF EDUCATION OF THE GLENDDORA UNIFIED SCHOOL DISTRICT REQUESTING THE BOARD OF SUPERVISORS OF LOS ANGELES COUNTY TO ISSUE AND SELL GENERAL OBLIGATION BONDS OF GLENDDORA UNIFIED SCHOOL DISTRICT

WHEREAS, an election was duly and regularly held in the Glendora Unified School District (the "District") on June 6, 2000 for the purpose of submitting to the qualified electors of said District the question whether general obligation bonds should be issued in the principal amount not exceeding \$21,000,000 (the "Authorization") to renovate, construct and improve school facilities (the "Project");

WHEREAS, it has been certified that more than two-thirds of the votes cast at said election were in favor of the issuance of the Authorization;

WHEREAS, the District has previously caused to be issued \$13,999,914.40 of the Authorization leaving \$7,000,085.60 unissued and now determines that it is in the best interests of the District to issue and sell a second series of bonds, not to exceed \$7,000,000.

WHEREAS, Section 15140 of the Education Code of the State of California (the "Education Code") requires that the Bonds of the District shall be offered for sale by the Board of Supervisors of the County of Los Angeles as soon as possible following receipt of a resolution adopted by the Governing Board of the District;

WHEREAS, Section 15140 of the Education Code provides that such resolution shall prescribe the total amount of bonds to be sold;

WHEREAS, Section 15140 also provides that such resolution may prescribe the maximum acceptable interest rate, not to exceed twelve percent (12%) and the time or times when the whole or any part of the principal of bonds shall be payable, which shall not be more than 25 years from the date of the bonds;

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including the proposed issue of the Bonds, is within all limits prescribed by law;

NOW, THEREFORE, IT IS RESOLVED, DETERMINED AND ORDERED by the Board of Education of the Glendora Unified School District, as follows:

Section 1. Recitals. The foregoing recitals are true and correct.

Section 2. Request. The Board of Supervisors of the County of Los Angeles is hereby requested to cause to be issued, sold, and delivered on behalf of the District by negotiated sale, the Bonds in the aggregate principal amount of not to exceed \$7,000,000 to be designated "Glendora Unified School District (Los Angeles County, California) General Obligation Bonds 2000 Election, Series B" (the "Bonds") upon the terms and conditions as hereinafter provided, for the purpose of paying for the costs of the Project or a portion thereof. The Bonds shall be issued by the Board of Supervisors of Los Angeles County pursuant to that certain Resolution, a copy of which is on file with the Superintendent of the District, entitled "Resolution of the Board of Supervisors of the County of Los Angeles, State of California providing for the Issuance and Sale of General Obligation Bonds, 2000 Election, Series B of Glendora Unified School District in the Aggregate Principal Amount of Not to Exceed Seven Million Dollars (\$7,000,000)" (the "Issuance Resolution").

Section 3. Interest. The Bonds shall bear interest at the net interest cost of not to exceed Seven Percent (7%) per annum, which interest shall be payable, as to Current Interest Bonds, beginning on March 1, 2004, and on each March 1 and September 1 thereafter (unless otherwise specified in the Contract of Purchase described in Section 5), and as to Capital Appreciation Bonds, on their maturity or redemption date (each, a "Bond Payment Date").

Section 4. Date; Maturity. The Current Interest Bonds shall be dated March 12, 2003 (unless otherwise specified in the Contract of Purchase described in Section 5), and the Capital Appreciation Bonds shall be dated the date of delivery thereof. The Bonds shall mature on September 1 in each of the years 2004 through 2027 (or such other date as shall be specified in the Purchase Contract), all as more specifically set forth in the Contract of Purchase approved in Section 5 hereof.

Section 5. Sale. The not to exceed \$7,000,000 principal amount of Bonds shall be sold by the Treasurer of Los Angeles County (the "County Treasurer") by negotiated sale pursuant to the Contract of Purchase, a form of which is on file with the Superintendent and is hereby approved, dated the date of sale of the Bonds, by and among the District, the County Treasurer, and George K. Baum & Company (the "Underwriter"). The net interest cost of the Bonds shall not exceed 7% and the Underwriter's discount on the Bonds (without regard to an original issue discount, if any), shall not exceed 1.10%. The Superintendent and the President of the Board of Education are hereby separately authorized to execute the Purchase Contract.

Section 6. Application of Bond Proceeds. The proceeds of the Bonds shall be applied as provided in the Issuance Resolution, and applied to acquire and construct the Project. Proceeds of the Bonds held by the County Treasurer shall be invested at the County Treasurer's discretion pursuant to law and the investment policy of the County, unless otherwise requested in writing by the District.

(i) At the written request of the District, given by the Superintendent of the District, who is hereby expressly authorized to give such request, the County Treasurer may invest all or any portion of the building fund of the District in the Local Agency Investment Fund in the treasury of the State of California.

(ii) At the written request of the District, given by the Superintendent of the District, who is hereby expressly authorized to give such request, all or any portion of the building fund of the District may be invested on behalf of the District in investment agreements, including guaranteed investment contracts, which comply with the requirements of each rating agency then rating the Bonds.

Section 7. Redemption Provisions: The Bonds shall be subject to redemption prior to their respective stated maturity dates at the option of the District as set forth in the Purchase Contract and in the Bonds. The Bonds shall also be subject to mandatory sinking fund redemption, as specified in the Purchase Contract and in the Bonds. The Purchase Contract may provide that the Bonds shall not be subject to optional or mandatory redemption. The Purchase Contract may also provide separate and distinct redemption provisions for the Current Interest Bonds and the Capital Appreciation Bonds.

Section 8. Tax Covenants.

A. Private Activity Bond Limitation. The District shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

B. Federal Guarantee Prohibition The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

C. Rebate Requirement The District shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

D. No Arbitrage The District shall not take, or permit or suffer to be taken by the Paying Agent or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

E. Maintenance of Tax-Exemption The District shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

Section 9. Official Statement. The Board of Education hereby approves the Official Statement describing the Bonds, in substantially the form on file with the Clerk of the Board of Education, together with any changes therein or additions thereto deemed advisable by the Superintendent or any other qualified officer of the District designated as such by the Superintendent or the Assistant Superintendent, Business (each an "Authorized Official"). The Board of Education approves and authorizes the distribution by the Underwriter of the Official Statement to prospective purchasers of the Bonds, and authorizes and directs the Authorized Official on behalf of the District to deem "final" pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule") the Official Statement prior to its distribution by the Underwriter. The execution of the Official Statement, which shall include such changes and additions thereto deemed advisable by the Authorized Official and such information permitted to be excluded from the Official Statement pursuant to the Rule, shall be conclusive evidence of the approval of the Official Statement by the District.

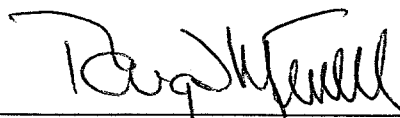

The Authorized Official is authorized and directed to execute the Official Statement and a statement that the facts contained in the Official Statement, and any supplement or amendment thereto (which shall be deemed an original part thereof for the purpose of such statement) were, at the time of sale of the Bonds, true and correct in all material respects and that the Official Statement did not, on the date of sale of the Bonds, and does not, as of the date of sale of the Bonds, contain any untrue statement of a material fact with respect to the District or omit to state material facts with respect to the District required to be stated where necessary to make any statement made therein not misleading in the light of the circumstances under which it was made. The Authorized Official shall take such further actions prior to the signing of the Official Statement as are deemed necessary or appropriate to verify the accuracy thereof.

Section 10. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by an Authorized Official and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Series B Bonds; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Series B Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

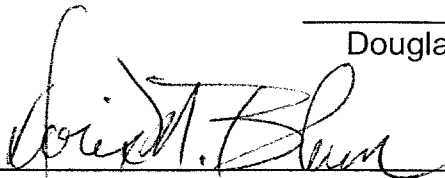

Section 11. All Other Actions. The Authorized Official is hereby authorized and directed to do any and all things and take any and all actions which may be necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds in accordance with this Resolution and the resolution hereinafter adopted by the Board of Supervisors of the County of Los Angeles, including the filing of a certified copy of this resolution with the Clerk of the Board of Supervisors and the execution of documents, agreements, and an agreement with the Paying Agent.

Each Current Interest Bond shall be issued in denominations of \$5,000 or integral multiples thereof, and shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Interest Payment Date to the Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before February 15, 2004, in which event it shall bear interest from _____, 2003; provided, however, that if at the time of authentication of any Current Interest Bond, interest is then in default on outstanding Current Interest Bonds, such Current Interest Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Resolutions. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form initially, registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York and the Bonds shall initially be in authorized denominations of \$5,000 maturity value each or any integral multiple thereof.

(c) Selection of Bonds for Redemption. Whenever less than all of the outstanding Bonds are to be redeemed, the Paying Agent shall select the Bonds to be redeemed in inverse order of maturity, and within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof. The Paying Agent shall promptly notify the District of the Bonds so selected for redemption on such date.

(d) Notice of Redemption. Notice of redemption shall be mailed, first class postage prepaid, to the respective owners of any Bonds designated for redemption at their address appearing on the books required to be kept by the Paying Agent, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, which notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part.

In case of the redemption as permitted herein of all the outstanding Bonds of any one maturity, then outstanding, notice of redemption shall be given by mailing as herein provided, except that the notice of redemption need not specify the serial numbers of the Bonds of such maturity.

Neither the failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds or the cessation of accrual of interest represented thereby from and after the redemption date.

(e) Additional Notice. In addition to the notice of redemption given pursuant to Section 3(d), further notice shall be given by the Paying Agent as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to each of the Securities Depositories which are then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more of the Informational Services that disseminate notice of redemption of obligations similar to the Bonds or, in accordance with the then-current guidelines of the Securities and Exchange Commission, such other securities depositories and services providing information on called bonds, or no such securities depositories and services, as the District may designate in a certificate delivered to the Paying Agent.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(f) Payment of Redeemed Bonds. When notice of redemption has been given substantially as provided for herein, and, when the amount necessary for the redemption of the

Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Debt Service Fund, as provided herein, the Bonds designated for redemption shall become due and payable on the date fixed for redemption thereof and upon presentation and surrender of said Bonds at the place specified in the notice of redemption with the form of assignment endorsed thereon executed in blank, said Bonds shall be redeemed and paid at the redemption price out of the Debt Service Fund.

All unpaid interest payable at or prior to the redemption date shall continue to be payable to the respective Owners, but without interest thereon.

(g) Partial Redemption of Bonds. Upon surrender of any Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

4. Use of Documents. The District and the County hereby authorize the Underwriter to use, in connection with the offer and sale of the Bonds, this Purchase Contract, an Official Statement (defined below), the Resolutions, and all information contained herein and therein and all of the documents, certificates, or statements furnished by the District or the County to the Underwriter in connection with the transactions contemplated by this Purchase Contract.

5. Public Offering of the Bonds. The Underwriter agrees to make a bonafide public offering of all the Bonds at the initial public offering price or yield to be set forth on the cover page of the Official Statement. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering price or yield as it deems necessary in connection with the marketing of the Bonds.

6. Review of Official Statement. The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated _____, 2003 (the "Preliminary Official Statement"). The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

7. Closing. At 8:00 a.m., California Time, on _____, 2003, or at such other time or on such other date as shall have been mutually agreed upon by the District, the County and the Underwriter (the "Closing"), the District will deliver to the Underwriter, at the offices of The Depository Trust Company ("DTC") in New York, New York, or at such other place as the District and the Underwriter may mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as

nominee of DTC, and in Los Angeles, California, the other documents hereinafter mentioned, and the Underwriter will accept such delivery and pay the purchase price thereof, of \$ _____, in immediately available funds by check, draft or wire transfer to or upon the order of the District.

8. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

(b) Official Statement. The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh (7th) business day following the date this Purchase Contract is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being called the "Official Statement") in such reasonable quantities as may be requested by the Underwriter not later than five (5) business days following the date this Purchase Contract is signed, in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the Municipal Securities Rulemaking Board. (e) If between the date of this Purchase Contract and that date which is 25 days after the end of the Underwriting Period (as determined in accordance with Section 18 hereof) any event known to the District shall occur affecting the District which might adversely affect the marketability of the Bonds or the market prices thereof, or cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the

Issuer shall notify the Underwriter thereof, and if in the reasonable opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Official Statement, the District will assist in supplementing or amending the Official Statement in a form and in a manner approved by the Underwriter; and
